Membership renewal

Non-payment will result in membership expiring and play & pay rates will be applicable until next payment made - no refunds will be given for Pay & Play court fees.

~~Re-joining during the renewal year within the first 3 months will mean 100% fee payable, within 3-6 months of renewal date will be 85% fee payable, within 6-9 months will be 70% and within 9-12 months will be 50%.~~

Exceptions may be made for injury/health related breaks at the Membership Committee's discretion. Any member who is injured, but would like to retain membership until they can play again, should renew as a non-playing member, by notifying the Membership Secretary and paying a £10 fee for the year.

Individuals will not then be removed from the WhatsApp group, maintain access to Club facilities and continue to have voting rights. However they would not have access to Cardio Tennis, Internal Leagues/Tournaments.

'Guest' or 'Pay & Play' rates would apply until they rejoined as a playing member. When they are ready to re-join the appropriate fee can be determined at that stage.

If there is a break of more than one full membership year, the new membership will be for 12 months from the commencement date of the new membership with a prorata renewal the following year, to realign again to the 1st June membership year commencement.
